VACANCY ANNOUNCEMENT COMMUNITY HEALTH AIDE/MEDICAL ASSISTANT

ANNOUNCEMENT DATE:	June 15, 2022	CLOSING DATE:	When Filled
POSITION TITLE:	Community Health Aide/ Medical Assistant	POSITION BEGINS:	Immediately
POSITION TYPE:	Full-Time/Permanent	SALARY:	DOE

POSITION SUMMARY:

This position will deal directly with Ninilchik Traditional Council Community Clinic (NTCCC) clients. Therefore, confidentiality will be the highest priority and the position will follow the NTCCC's Health Insurance Portability and Accountability Act (HIPAA) policies and procedures.

The Community Health Aide/Medical Assistant is an integrated job which is accountable to the Ninilchik Traditional Council's (NTC's) Tribal Health Director and the NTC's Nurse Practitioner (NP), Medical Doctor (MD), and/or Physician Assistant (PA), per respective program guidelines for the performance of assigned duties and responsibilities. This position does not have any supervisory authority.

The Community Health Aide/Medical Assistant performs all duties in accordance with the Indian Health Service (IHS) guidelines, following protocols established by the NTCCC. The position performs duties under the guidelines of the American Association of Medical Assistants and the directions of an onsite Licensed Medical Health Provider. The Licensed Medical Health Provider must be in the NTCCC.

COMMUNITY HEALTH AIDE (CHA) DUTIES/RESPONSIBILITIES

1. Provide primary care services in regularly scheduled clinics.
2. Maintain confidential records and files.
3. Provide immunizations and/or injectable medications at the direction of the NP, PA or MD
4. Provide disease control treatments, referral and follow-up.
5. Provide chronic disease care and follow-up.
6. Provide periodic health surveillance of blood pressure, hemoglobin, hemoglobin A 1 C, glucose monitoring, pro-time, phlebotomy, Strep A, Mono tests, pulse oximetry, pregnancy tests and urinalysis.
7. Monitor chronically ill patients who are bedridden through home visits as needed according to NTCCC policies and procedures.
8. Monitor medications of chronically ill patients.
9. Provide follow-up as requested.
10. Use basic first aid and acute care techniques per level of training when injuries or acute problems develop.
11. Enters patients into Ninilchik EMS 911 system for emergency ambulance transports to hospital per Midlevel orders, Referral Physician orders.
12. Provide safe and hygienic environment in clinic handling of all clinic bio-hazard materials and sharps per Occupational Safety and Health Administration (OSHA) guidelines.
13. After completion of the Alaska Native Tribal Health Consortium (ANTHC) Healthcare Provider Diagnostic Imaging Course, will follow the safety training covered in classes to perform the

following:

- a. Basic radiology studies of chest, extremities and shoulders
- b. Filing
- c. Medical requisition for radiology studies

CHA's will take X-Ray studies only after receiving orders from Midlevel or Physician. X-Rays on non-beneficiaries may be taken in emergency situations only while a Licensed Medical Provider is in the NTCCC.

14. Willingness to travel and train as job requires.
15. Other duties as prescribed by the Tribal Health Director, NP, PA, MD or NTC Executive Director or his/her designee.

MEDICAL ASSISTANT (MA) DUTIES/RESPONSIBILITIES

1. Apply principles of aseptic technique and infection control.
2. Comply with quality assurance practices.
3. Screen and follow-up patient test results.
4. Apply phlebotomy techniques in collecting and processing specimens to include procedural and diagnostic coding.
5. Perform CLIA Waivered diagnostic tests.
6. Adhere to established triage procedures.
7. Obtain patient history and vital signs.
8. Prepare and maintain examination and treatment areas.
9. Prepare patient for examination and treatment.
10. Assist with examinations, procedures and treatments.
11. After completion of the ANTHC Healthcare Provider Diagnostic Imaging Course, the MA will follow the safety training covered in classes to perform the following:
 - a. Basic radiology studies of chest, extremities and shoulders
 - b. Filing
 - c. Medical requisition for radiology studies

MA's will take X-Ray studies only after receiving orders, on both beneficiary and non-beneficiaries once Xray training completed. Xray may be taken while a Licensed Medical Provider is in the NTC/Ninilchik Community Clinic.

12. Prepare and administer medications and immunizations per NP/PA/MD oversight.
13. Maintain medication and immunization records.
14. Coordinate ordering medications for the Crash Cart and the NTC pharmacy as well as supply orders from the Alaska Native Medical Center (ANMC) Warehouse.
15. Recognize and respond to emergencies.
16. Coordinate patient care information with other health care providers.
17. Perform basic clerical functions.
18. Coordinate and monitor appointments with clinic front desk receptionist.
19. Willing to travel and train as job requires and availability of funds.
20. Other duties as assigned by Tribal Health Director, NP, PA, MD or the NTC Executive Director or his/her designee.
